# Connecting To Your Business

Meridian Investigative Group, Inc. services the insurance industry by delivering complete cost effective investigative solutions. We have been servicing the insurance fraud community for over 10 years and plan to continue with expanding our assets into markets that will further develop value driven solutions to our customers. At Meridian we believe the only easy day was yesterday, which drives us to further innovate and keep the competitive edge amongst our industry.

## Contract SIU Services

Meridian Investigative Group, Inc. has created a proficient contract Special Investigations Unit (SIU) to provide mandated and necessary Anti-Fraud services for our clients, as well as carrier, TPA and MGA companies which may not warrant a full time SIU unit. Anti-Fraud statutes have become complex and violations can be subject to substantial fines, penalties or denial of a rate increase application. MIG has assembled a team of veteran SIU investigators, analysts and a staff to provide a cost-effective Anti-Fraud program for carriers, TPA's or MGA's in any business line or jurisdiction. All SIU services can be obtained in entirety or individually on an as needed basis.

# INVESTIGATIVE SOLUTIONS FOR YOUR BUSINESS NEEDS

# Claimant Profile Report (CPR+,)

determining if surveillance is warranted. For more information go to www.migclaims.com.

Claimant Profile Report (CPR.)

Claimant Profile Report Plus CPR+ gives you the ability to "dig" deeper. With this service we are able to not only uncover activity; we take it a step further with CPR+ and verify activities through proprietary methods. CPR+ will expose in-depth information associated with the claimant's internet history and daily routine, to include work status and activity verification. We only utilize experienced licensed investigators to search the deep web of your claimants through our "know-how" investigative methods. We are typically able to determine patterns in the claimants' activity level, prior to initiating any further investigation allowing you to preserve your budget and settle your claims.

### Benefits You Get with CPR+

- ► Social network monitoring
- Extensive discreet interviews with sources
- ► Searches with Secretary of State
- Extensive detailed social network search
- ► Employment verification
- Data mining
- Obtain specified reports: fire, police or incident
